

# ANDREW TULINE

7742 Garfield Dr.  
Delta, BC V4C 4E5  
604.312.4438  
atuline@gmail.com

## PROFILE

---

Able to bring extensive IT infrastructure management skills to a web development and deployment environment.

## ACCOMPLISHMENTS

---

- Designed and implemented the SurDel Girls Soccer Club website, which has received significant positive feedback from the membership.
- Designed and implemented an e-Commerce Drupal 5 site with Ubercart for online shopping of jewelry.
- Designed and implemented the South District Girls Soccer Association web site. Functionality included secure online forms, which significantly reduced paperwork for 9 soccer clubs.
- Full site recovery of a web site when a web host provider lost the server configuration files.
- Migrated 8 web sites to an alternate web host provider in order to improve service reliability and recoverability.

## EXPERIENCE & QUALIFICATIONS

---

### *Community Volunteer for Web Services (3 yrs)*

Provide web service needs analysis, design, implementation and support for several Drupal based web sites including:

- SurDel Girls Soccer Club (supporting 900 players)
- South District Girls Soccer Association (supporting 9 soccer clubs)
- Strawberry Hill United Church
- My personal web site at [www.tuline.com](http://www.tuline.com)

### *Web Site Consulting*

- Developing a Drupal/Ubercart based eCommerce web site for a local jewelry company, which will significantly increase the market for the client.
- Provide disaster recovery testing and weekend support for web hosting, thus ensuring continuity and recovery in the event of a failure at the web host provider.
