Verse

I went out to the hazel wood
Because a fire was in my head
And I cut and peeled a hazel wand
And hooked a berry to a thread

C **Em**
And when white moths were on the wing

Am **F**
And moth-like stars were flickering out

Am **C**
I dropped a berry in a stream

G **Am**
And caught a little silver trout

C
When I had laid it on the ground

G **Am**
I went to blow the fire aflame

C
And something rustled on the floor

G **Am**
And someone called me by my name

C **Em**
It had become a glimmering girl

Am **F**
With apple blossoms in her hair

She called me by my name and ran

that's when that little love of mine dips her doughnut in my tea.
